PAÑPURI LUNAR NEW YEAR THE GIFT OF PRESENCE

In the rhythm of celebration, there is a rare gift waiting to be uncovered—in the pause, in the present.

Inspired by the art of tea preparation, this Lunar New Year, we invite you to slow, to breathe, to truly be in the moment.

In this space—where time softens and hearts open—we rediscover what truly matters. Presence becomes the rarest gift, offered fully, here and now.

OOLONG RITUAL

Oolong Tea
Mandarin

Delicate · Serene · Green
